

**ADMINISTRATIVE RECORD INDEX FOR REISSUED RCRA PERMIT  
GE-PITTSFIELD/HOUSATONIC RIVER SITE  
EXHIBIT 12 TO THE MEMORANDUM OF LAW  
JULY 2000**

Pursuant to 40 C.F.R. § 124.18, the following is the index of the administrative record for the Reissued RCRA Permit issued by EPA July 18, 2000.

The administrative record includes the following:

1. The administrative record for the draft Reissued RCRA Permit. The draft Reissued RCRA Permit is Appendix G to the proposed Consent Decree in United States v. General Electric Co., Civil Action No. 30225MAP (D.Mass)(and consolidated cases) ("proposed Consent Decree").
2. All comments received during the 120-day public comment period provided for the proposed Consent Decree, which are included as Exhibit 1 to the Memorandum In Support of the Motion to Enter Consent Decree ("Memorandum of Law"), filed with EPA's Motion to Enter the proposed Consent Decree.
3. The transcript of the December 2, 1999 hearing held on the proposed Decree and the draft R Reissued RCRA Permit under 40 C.F.R. § 124.12, which is included as Exhibit 14 to the **Memorandum** of Law. (No written materials were submitted at that hearing).
4. The response to comments on the proposed Consent Decree, which is Exhibit 2 to the Memorandum of Law, and which satisfies the response to comments requirement of 40 C.F.R. § 124.17(a)(2).
5. A specification of which provisions of the draft permit have been changed, pursuant to 40 C.F.R. § 124.17(a)(1), which is Attachment A to the EPA July 2000 Final Reissued **RCRA** Permit Notification.
6. The final Reissued RCRA Permit, which is the Reissued Appendix G to the proposed Consent Decree.
7. The administrative record for the proposed Consent Decree, the index to which is Exhibit 11 to the Memorandum of Law.
8. Declarations to the Responses to Comments, which are Exhibits 3.1-3.5 to the Memorandum of Law.
9. The proposed Consent Decree, and its appendices, attachments and annexes.
10. The July 2000, EPA Final Reissued RCRA Permit Notification.

11. EPA "Guidance on Use of Non-Time Critical Removal Authority in **Superfund** Response Actions, February 14, 2000, which is Exhibit 15 to the Memorandum of Law.

12. EPA, "A Guide to Principal Threat and Low Level Threat Wastes", which is Exhibit 16 to the Memorandum of Law.
